## ABOUT

**Flood & Coast** is a unique three-day event bringing together a diverse range of people to advance the global debate about flood and coastal erosion risk management (FCERM) in a changing climate.

The event brings together over 5,000 key stakeholders in the FCERM community including government bodies, Risk Management Authorities, academics, engineering consultants and contractors, business, major infrastructure providers, asset managers, affected communities and charities. We also provide a forum for young professionals and the Women in the FCERM community to convene interactive programmes, which are open to all.

Our trade show and exhibition offer delegates unrivalled networking opportunities, a place to demonstrate new and innovative technologies and a space for service and product providers to engage effectively with contractors, consultants and project owners.

## SPONSORSHIP

Flood & Coast offers a range of excellent and cost-effective opportunities to raise your profile and stand out at the event. Sponsorships can help you to:

-  **Gain exposure for your brand**
-  **Attract attendees to your stand**
-  **Promote your products and services**
-  **Generate publicity**

Sponsorships include: exhibition stand space (gold and silver only), complimentary delegate places to the conference, places at the awards dinner, branding and advertising with some offering special exclusive items.

## EXHIBITING

As an exhibitor, you can expect to meet and network with purchasers from government agencies, local authorities, consultants, engineering professionals and asset owners. And, at the same time, you can showcase and present new technologies, services and products to an inquiring, specialist audience.

Exhibitors will receive details of additional options for stands such as furniture, lighting, AV equipment, electrics, rigging, literature display and catering supplies once the stand is confirmed.
