Machinery Connection Date & Time:			
Machinery De-connection Date & Time:			

Please note compressed air connections can only be provided in Halls 1, 2 & 3.

All orders should be accompanied by a scaled drawing showing the location of the services.

Compressed air will be supplied to exhibitors as 100psi. All filtration and regulation of compressed air will be the responsibility of the exhibitor/stand contractor. Please be aware there may be cabling/ramping under or near your stand depending on your location within the halls to hide the compressed air cabling.

All orders received less than 10 working days before the event build will be subject to a 20% surcharge.

Stagecraftuk reserve the right to substitute specified equipment with a suitable alternative if necessary. All orders are subject to Stagecraftuk's terms and conditions. Goods/Services will not be supplied unless fully paid for in advance. Please tick the box below indicating how you would like to pay:

Please state if invoicing name/address is different from the above.

Invoice
(For BACS payment)

Credit/Debit Card

Whilst every effort will be made to install the compressed air connection as per your request on the grid above, exact locations cannot be guaranteed.

Please specify below if your stand has a raised or flat floor, along with any other details that could affect the installation of a compressed air supply.
